Date – 20.07.2026

President – Justice A K Patnaik (Former Judge, Supreme Court of India)

To

The Editor,

----------,

Dear Sir,

Subject: CPDRS condemns police crackdown on Delhi protest

The CPDRS strongly condemns the brutal police lathi-charge on the students and youth who were marching from Jantar Mantar towards Parliament, demanding action against the irregularities in the NEET exam that have caused extreme injustice to many students. When the entire nation was demanding justice for the students, instead of initiating a dialogue and discussion with the protestors, the government created a situation and resorted to this blatant action, injuring many protestors. This is a violation of the constitutionally guaranteed freedom of peaceful protest.

We demand that the government immediately initiate talks with the students regarding their legitimate demands and ensure a proper examination system free from question paper leaks and other malpractices, and provide education in line with the aspirations of the public.

Thanking you,
Yours sincerely

Prof. Kunche Sridhar
General Secretary, All India Committee, CPDRS
